

# SOCIETY FOR INDUSTRIAL AND SYSTEMS ENGINEERING

## TENTH ANNUAL WORLD CONFERENCE OF THE SOCIETY FOR INDUSTRIAL AND SYSTEMS ENGINEERING

September 23-24-2021  
Virtual Conference

Conference Webpage: <http://www.ieworldconference.org>

Due to the continuing health risk posed by COVID-19, SISE will be holding this year's conference on a virtual platform. Similar to SISE 2020, this year's virtual conference will be held on the Google Meet platform. To prepare for the virtual conference, we ask you to submit a pre-recorded presentation (voice over PowerPoint) in advance. Detailed instructions for recording and submitting presentations will be posted here at a later date.

### Call for Contributed Papers

Individuals interested in presenting their research/case study must submit an abstract of no more than 300-words in English before August 10, 2021. All abstracts will be reviewed by the Conference Advisory Committee and authors will be notified via email before August 15, 2021. Full paper in electronic format will be due by September 10, 2021

Conference Chairs:	Important Dates:
Jeffrey Fernandez – JFAssociates Inc. Anand Subramanian – JFAssociates Inc. Daryl Santos – SUNY Binghamton Paul Evangelista - USMA	Abstracts due: August 10, 2021 Final Papers due: September 10, 2021

### Topics of Interest

The conference emphasizes the use of engineering design and analysis and would strive to maintain a balance between research and application. The conference will cover:

Applied Operations Research Quality Engineering CAD/CAM Manufacturing Systems Manufacturing Automation Industrial Automation Information Systems Production Systems Design, Planning and Control System Simulation Artificial Intelligence in Industrial Engineering Human Resource Management Safety Management	System Engineering and Management Service System and Management Manufacturing Management Total Quality Management Project Management Technology Management Productivity and Business Strategies Human Factors Industrial Ergonomics and Safety Facilities Design and Location Work Measurement and Methods Engineering Other Topics of Interest in Industrial Engineering
---	--

### Conference Proceedings

All submitted papers will be *peer-reviewed by the society's technical committee* before publication in the conference proceedings in external media. The conference program with brief abstract for each article will be available before and at the conference. Revised and expanded versions of selected papers registered and presented at the conference will be considered for publication in future issue of Industrial and Systems Engineering Review (ISER) – the society's journal

### Student Paper Award

Interested students are encouraged to submit their abstracts with a cover letter indicating their interests in the student paper award, letter from advisor/professor indicating contribution towards the research, and proof of student status (undergraduate or graduate) to a Conference Chair by August 10, 2021. **Papers with the student as the sole author or with only one faculty advisor as the registered co-author will be considered for the Student Award.**
